Education

Bachelor of Engineering in Electrical Engineering Expected Apr 2029
York University, Lassonde School of Engineering | GPA: 3.98/4.00 Toronto, ON, Canada

- Schulich Leader (C$120,000) – 1 of 50 engineering students chosen from 300,000+ candidates
- Governor General's Academic Medal (Bronze) – top high school graduate, 2025
- Dean's Honour Roll, 2025–26
- BEST Certificate in Technology Entrepreneurship

Skills

Languages: Python, Java, JavaScript, Swift, C++, MATLAB
Technologies: React, SwiftUI, REST APIs, Docker, Git, GitHub Actions
AI Tools: Claude Code, Codex, Oh My Pi, Cursor, MCP
Spoken Languages: English, French (DELF B2)

Projects

Air Mouse: Apple Watch Presentation Controls | Swift, SwiftUI, MultipeerConnectivity Apr 2026 – Present

- Built iOS, macOS, and watchOS apps to turn an Apple Watch into a gesture remote and trackpad
- Cut false triggers from 5+ per wrist movement to 1 by classifying 50 Hz CoreMotion data using swipe direction and magnitude, with a 200 ms debounce
- Relayed gestures from watch to iPhone over WatchConnectivity and on to the Mac over encrypted MultipeerConnectivity, changing slides in ∼0.25 s

IceWatch: Ice Detection Network | ESP32, C++, React Jan 2026 – Apr 2026

- Led a 4-person team building ESP32 sensor nodes to map ice risk on campus walkways
- Surveyed 26 commuters and interviewed 6, finding 65% had slipped on ice more than once
- Classified 4 hazard levels from temperature and moisture using outdoor-calibrated thresholds
- Built a React dashboard polling a REST API every 5 s to update an ice hazard map

Zeus AI: Checkers Engine | Python Nov 2023 – Dec 2023

- Placed 1st of ∼30 students in a school AI tournament, also beating the past 7 years of winners
- Hand-coded a minimax engine searching 4 moves deep with alpha-beta pruning and a custom board heuristic scoring material, kings, and centre control
- Generated legal moves recursively, including multi-jump captures with mid-chain promotion

Experience & Leadership

Operations Lead, CUTC Foundation June 2026 – Present

- Led a 4-person operations team for a conference season sponsored by Shopify and IBM
- Built a 500+ contact speaker list that landed 2 OpenText co-founders and a Google GenAI lead
- Saved C$10–15K by co-leading the move to a virtual conference, then ran its livestream hosting Shopify President Harley Finkelstein for 200+ registrants
- Coordinated scheduling and engagement for a virtual hackathon with 400+ registrants

Director of Finance, YorkU Sports Analytics Club Sept 2025 – Present

- Manage the club's C$1,000 budget, having built its Excel expense tracking from scratch
- Crafted a jersey-number guessing game that drew 150+ plays at a club tabling event
- Secured club ratification as a founding executive by preparing financial documents

Team Lead, Ismaili Volunteers Jan 2023 – Present

- Ran a monthly event series of 10+ events for 500+ attendees each, mentoring junior volunteers
- Led a 14-person youth team on stage for 6,000+ attendees at Aga Khan V's first Canada visit

Lifesaving Instructor and Lifeguard, City of Ottawa Mar 2024 – Aug 2026

- Rescued a mother and child at once from the deep end after spotting them as non-swimmers
- Taught 30+ swimming and lifesaving classes to 120+ swimmers, mentoring shadow instructors
- Certified Lifesaving Instructor, Emergency First Aid Instructor, and National Lifeguard (NL)
